

Ancient Cedars Spa

Nestled into the Ocean level of the Wickaninnish Inn, Ancient Cedars Spa is Tofino's premiere oasis of relaxation and well-being. A full range of body therapy, thalassotherapy, skin care, esthetics and more is offered in five welcoming spaces where our international staff can add various modalities to your desired treatment(s) upon your one-on-one consultation. Signature experiences include the Hishuk Ish Tsawalk Awakening Treatment, inspired by the traditional cleansing techniques of the West Coast's indigenous people.

The Ancient Cedars Spa experience is enhanced with an oceanfront patio, comfortable men's and ladies lounges with showers, and a Bouvier Hydrotherapy Tub. A eucalyptus steam room is available on its own, or as a finishing touch to a treatment. We utilize a range of high quality, naturally-inspired products including Vancouver Island's own certified organic Seaflora Skincare. Side-by-side treatments are a veritable treat in two oceanfront spaces, while intimate groups/bridal parties can enjoy spa time together. We recommend starting a beautiful Tofino day with semi-private yoga instruction for optimal restorative balance, offered daily in the welcoming Rainforest Haven room. Enter with peace, leave with tranquility at Ancient Cedars Spa.
